

Planning the Vacation of Your Dreams?

Protection Before, During and After Your Trip

A cancellation, interruption or delay of your vacation can ruin your investment and add more costs to your trip. CSA Vacation Rental Insurance is an excellent value that protects you during your entire vacation experience. If you can't go on your trip for a covered reason, you'll be reimbursed for your prepaid expenses. For just 6.5% of your trip cost, you can travel with peace of mind and prepare for the unexpected:

- You or a family member develops an unexpected illness, causing everyone in your traveling party to cancel the trip.
- A transfer of employment of 250 miles or more impacts your vacation.
- An extension of school year prohibits your children from traveling.
- Jury duty forces you to stay home.
- Your involuntary termination of employment or layoff ends your travel plans.
- A terrorist act in one of your destination cities restricts your travel.
- A mandatory hurricane evacuation prevents you from traveling or forces you to return home early.

CSA Helping Travelers: A True Story

"When Hurricane Frances interrupted our trip in September 2004, CSA's emergency hotline was most helpful and the claims division was also very helpful and processed our claim promptly. We had absolutely no problems with our claim being paid in a timely fashion. We recommend CSA Travel Protection to everyone."
